

PREFACE

The syllabus is prepared according to the text book prescribed by curriculum Development center of the government of Nepal. The purpose of preparing the syllabus is to make teaching-learning activities scientific and systematic. The essence of publishing the booklet is to bring uniformity in teaching-learning activities and examination system among the member schools.

Examination of class Eight, Nine and Ten are to be conducted according to the examination schedule of PABSON. We follow the schedule of District Examination Board of the government of Nepal to conduct the Final Examination of class Eight.

The questions for the First term examination are set from the syllabus prepared for the First term examination. The syllabus for the First term covers 30% course of the whole text book.

The questions for the Mid term examination are to be set covering 20% from the syllabus prepared for the First term and 80% from the syllabus prepared for the Mid term examination. The syllabus prepared for the Mid term examination covers 33% course of the whole text book.
